

# **Romanucci & Blandin Recognized Among “Best Lawyers in Chicago”**

*Attorneys focus on personal injury, workers’ compensation law*

CHICAGO (July 2013)--The law firm of Romanucci & Blandin, LLC, has been selected to the 2013 “Best Lawyers in Chicago,” published this month in the Chicago Tribune. Attorney Antonio Romanucci is recognized for excellence in the area of Workers’ Compensation Law, and he and partner Stephan D. Blandin are both recognized for excellence in Personal Injury Law.

The members of this prestigious list are nominated by and voted in their peers in the legal profession. The survey question posed to the voting lawyers is simple and straightforward: “If you had a close friend or family member who needed a real estate lawyer (for example), and you could not handle the case yourself, to whom would you refer them?” The same question is posed for each of the legal profession’s specialty areas.

The selections were announced in a special supplement to the Chicago Tribune placed by the publisher of “Best Lawyers In America,” the top-rated referral guide for attorneys in all 50 states.

Lawyers included in the voting body must achieve recognition by their peers through exemplary legal work that earns the respect of their peers. Lawyers cannot purchase an endorsement in the guide.

Romanucci & Blandin, LLC, founded by Romanucci and Blandin, represent individuals and their families in catastrophic personal injury matters, including traumatic brain injuries, as well as wrongful death and workers’ compensation cases. These cases come to the firm as the result of construction negligence and accidents, aviation tragedies, medical malpractice incidents, premises liability, nursing home negligence and accidents, accidents that are a result of police car chases and victims of burn injuries.

Romanucci and Blandin’s passion and conviction in the courtroom has resulted in dozens of verdicts or settlements of \$1 million or greater. They have obtained the largest medical malpractice verdict in Cook County in 2009 against a hospital (\$22.3 million). They also obtained the largest verdict in state history against the Chicago Police Department for a willful and wanton police chase causing incomplete quadriplegia in an innocent bystander.

Speaking for the firm, Romanucci said: “This is a total surprise and a high honor. We are thrilled to be included and recognized for our commitment and passion for this work.”
